

**VIVA BARCO VIVA**

Con il comitato "VivaBarcoViva", si vuole fare comunità.

Sì, fare comunità.

Oggi più che mai, davanti alle difficoltà del nostro tempo, mettere assieme passioni, competenze, responsabilità, risorse, rappresenta dal nostro punto di vista la miglior modalità per sostenere non solo e giustamente chi vive in condizioni di disagio ma anche chi vuole realizzare sé stesso: nello sport, nella cultura, nell'associazionismo di ogni genere.

Il Comitato vuole essere questo: un luogo di elaborazione di risposte e proposte. Un luogo in cui l'Amministrazione comunale vuole essere parte attiva e non attore non protagonista o solo soggetto al quale rivolgere istanze.

Metteremo in campo tutti noi ciò che si riesce e serve per proseguire assieme nella valorizzazione di un quartiere ricco di risorse, di spazi e di persone che hanno a cuore la propria comunità.

Che hanno a cuore Ferrara.

Bentornato Comitato!

Viva Barco Viva!

The comprehensive school main aim is to implement a cohesive and continuous learning path, where every pupil - from 3 to 14 years old - is free to fully develop their personal, cultural and social identity without sudden changes when moving to another grade.

**MISSION:**

The music, physical and theatre activities provided by the Institute offer significant educational experiences which help pupils develop their personalities by raising awareness about the environment they live in. It also promotes families' direct participation to its activities. The school has classrooms with interactive whiteboards, together with a very well equipped IT lab and gym. It also joined "cl@sse 2.0", a project aiming to introduce technology in the education field. A DRUM room and a THEATRE are available as well. Every year the Institute sets up: Teacher-assisted study sessions where pupils make their homework at school to strengthen their skills and develop the topics covered in class. Several activities to nurture individual inclinations and talents, such as: further development of class topics, school paper, IT, research, theatre, cinema discussion. Free school sport centre where tournaments are organized: BASKETBALL-VOLLEYBALL-INDOOR FOOTBALLHANDBALL-TABLE TENNIS. Music activities: choir, extracurricular activities for (pupils-parents-teachers-janitors). This body is also open to the territory, as every Monday the Barco branch offers extracurricular activities such as music and singing courses, whose participants can have lunch at school. In collaboration with the GINO NERI orchestra. The Barco neighbourhood also hosts the "Villaggio Ina" primary school - located in Via Indipendenza, 44 - which offers extended hours for 7 classrooms. **STATUS IN LAW AND MISSION:**

ACER Ferrara is a public housing authority. It was created in 2001 - according to Regional Act n. 24/2001 and the province of Ferrara is its range of action.

Its mission is included in the following principles:

efficiently manage real estates belonging to the Municipalities and/or third parties:

- Ensure building maintenance
  - Provide bills and collect the rents
  - Provide apartment management services and advices about self-management make sure that adequate houses are supplied, in accordance with the housing policies carried out by Municipalities and the Ferrara province:
  - Design and deal contracts for works
  - Supervise works progression
  - Inform Municipalities about house availability
- take steps in order to improve "life quality" of citizens in need:
- Design and implement works dedicated to special users
  - Maintain and improve the houses
  - Apply fair rents
  - Meet special needs create and manage a "liveable social system" characterized by non-hostile environments and aimed at social integration:
  - Cooperate with authorities in making assignment policies
  - Take steps to foster foreign users integration
  - Carry out social mediation policies - in collaboration with the Municipalities - to actively support users.

ACER's quality management system is UNI EN ISO 9001/2008 certified. In compliance with legislative decree 231/2001, ACER has implemented an Ethical Code as well as a Control, Management and Organization Model. This document states the key steps to be taken with regard to the main stakeholders in order to fight the crime types mentioned in that decree.

ACER's customers are:

- the Province Municipalities and other actors - both private and public - which may be interested in the services we offer. ACER acts as the manager of Local Authorities' real estates and together we set management goals and decide how to achieve them;
- appointed users, i.e. people who signed the lease to live in social houses. House assignment is given prior to submitting a request to the Municipality one lives or works in. Based on houses availability, the assignment is awarded prior to a check based on requirements laid down by regional and municipal regulation. ACER Ferrara takes on a clear and binding commitment with appointed users to ensure they enjoy a basic right such as having a house.

The "Portierato Sociale" office has the purpose to enhance Barco neighborhood and community. It opened in July 2015 and it is handled by the Cooperative Camelot. The Portierato Sociale supports people who are facing problems related to everyday life and provides help to resolve disputes between residents; it welcomes requests and proposals to improve the quality of life and takes care of the neighborhood, giving orientation to the public services in the territory.
